

Set your cart out **RIGHT** at the curb.

Our recycling trucks have automated arms to lift and empty carts. Improper set out means the cart cannot be properly collected. Thank you for your cooperation, and for recycling!

DO line up cart parallel to the street.

NOT crooked, away from the street.

DO have cart flush on the edge of the street.

NOT so far that the truck can't reach it.

DO have lid opening and metal bar facing the street. **LOOK FOR ARROWS ON THE LID.**

NOT with the handle facing the street.

DO place cart at least three feet away from trees, mailboxes, or other objects.

NOT too close to other objects.
