510 Meadowlands Dr.

Hillsborough, NC 27278

Register by: January 19th, 2010

We can't predict the next disaster for Orange County, but we can prepare for it! The Orange County Community Emergency Response Team (CERT) program teaches community members how to provide basic emergency response after a disaster. Persons living or working in Orange County can participate in this community training.

Please join us ... Be ready when disaster strikes!
