Dear Orange County Summer Basketball League Patrons,

It is with deep regret that we inform you of the cancellation of the 2020 Orange County Recreation Youth Summer Basketball League.

Over the past few months, the Orange County Recreation Division staff has been monitoring North Carolina developments related to COVID-19. With guidance from management and local and national public health agencies, our onsite operations will continue to remain closed resulting in this program being cancelled this summer. Due to the cancellation, the Orange County Recreation Division will **be providing** household credits to participants and their families for this cancelled program. If you prefer a refund, please view **the refund policy:** <http://www.orangecountync.gov/2406/COVID-19-Refunds>

For patrons who are interested in engaging their child(ren) in recreation programming at this time, commencing in May and throughout the summer we will be providing our patrons with virtual recreation programming opportunities. The information on each of these virtual programs is listed on our website at <https://www.orangecountync.gov/2401/Virtual-Programs>. There will be a nominal fee for these programs to cover supply costs that will be provided through contact-less pickup. Registration will be conducted through our online registration software. If you need assistance with registering you can contact Lisa Brashear at 919-245-2660 or e-mail her at lbrashear@orangecountync.gov.

The Recreation Division Staff supports everyone practicing physical distancing at this time until restrictions are rescinded. Please stay safe everyone.

Christopher A. Sousa
